

ENTERING THE SYSTEM

From your office extension:

- > Call the system access number.
- > Enter your password followed by [#].

From someone else's office extension or from outside your organization:

- > Call the system access number.
- > Do one of the following:
 - If the extension has an associated Modular Messaging mailbox, press [*][#].
 - If the extension does *not* have an associated Modular Messaging mailbox, press [#].
- > Enter your mailbox number.
- > Enter your password followed by [#].
